

Institute of American Cultures 2015-2016 Research Grant Program in Ethnic Studies

The Institute of American Cultures, which houses the four Ethnic Studies Research Centers—the American Indian Studies Center, the Asian American Studies Center, Bunche Center for African American Studies, and the Chicano Studies Research Center—invites applications for support of research on African Americans, American Indians, Asian Americans, and Chicanas/os in a variety of disciplines. The Institute also invites proposals on interethnic relations that will increase collaboration between the Centers and/or between the Centers and other campus units.

ELIGIBILITY: UCLA faculty, staff, graduate students, and IAC Visiting Researchers and Visiting Scholars.

FUNDING: The Research Grant Program is on a reimbursement basis only. Ordinarily, faculty projects will be funded for no more than \$10,000 and graduate student projects for no more than \$7,000. However, due to budgetary constraints, awards are typically for lesser amounts. Funds for the purchase of permanent equipment will be provided only under exceptional circumstances. Conference travel, whether the applicant is presenting or attending, is ineligible.

GRANT PERIOD: July 1, 2015 through May 31, 2016.

DEADLINE: Completed applications are due by April 20, 2015 at 11:59 pm. Awards will be announced in June.

TO APPLY: Application is available online at: <https://sa.ucla.edu/IAC/ResearchGrant>

Prior to submission of the application, applicants should discuss their proposal with the assistant director or director of the appropriate Center, or in the case of interethnic proposals, with each applicable Center. All grant recipients, where appropriate, must comply with UCLA's Protection of Human Subjects in Research before receiving funding.
